Ultra Slim Soft Case

for iPhone 4S / 4

ARCTIC's **Ultra Slim Soft Case** is designed to keep your phone safe with a complete protection. With only 0.35mm thickness, this case gives a bare feeling for your device. The material is extremely light in weight yet effective protection, to keep your device like new. In addition, the case comes with anti-slip coating to avoid accidental slips from your hand.

The soft case is tailor made for iPhone 4S and iPhone 4 with an easy snap-on application. The ARCTIC ultra slim soft case comes in 2 stylish colours including translucent pink and classic black.
